How To's

How do you create an Input Statistic?

NOTE: These steps are for the Baseball template. For other sports, the menu items may have different names but the method is identical.

1. Select the "Games" toolbar item
2. Select "Modify Offensive Statistics" from the Games menu
3. Select the '+' button
4. Enter in unique Field and Name values.
5. Select the "Save" button

Unique solution ID: #1001
